[G] Your day breaks [Gmaj7] your mind aches
[Em7] You find that [G7] all her words of [C] kindness linger [F] on
When she no [G] longer needs you

[G] She wakes up [Gmaj7] she makes up
[Em7] She takes her [G7] time and doesn't [C] feel she has to [F] hurry
She no [G] longer needs you

And in her [Am/C] eyes you see [C+7+5] nothing
[Am/C] No sign of love behind the tears cried for [C+7+5] no one
[Am/C] A love that should have lasted years [D7/Csus4] [D7/C]

[G] You want her [Gmaj7] you need her
[Em7] And yet you [G7] don't believe her
[C] When she says her [F] love is dead
You [G] think she needs you

And in her [Am/C] eyes you see [C+7+5] nothing
[Am/C] No sign of love behind the tears cried for [C+7+5] no one
[Am/C] A love that should have lasted years [D7/Csus4] [D7/C]

[G] You stay home [Gmaj7] she goes out
[Em7] She says that [G7] long ago she
[C] Knew someone but [F] now he's gone
She [G] doesn't need him

[G] Your day breaks [Gmaj7] your mind aches
[Em7] There will be [G7] times when all the
[C] Things she said will [F] fill your head
You [G] won't forget her

And in her [Am/C] eyes you see [C+7+5] nothing
[Am/C] No sign of love behind the tears
Cried for [C+7+5] no one
[Am/C] A love that should have lasted years [D7/Csus4] [D7/C]
