

Whistle For The Choir *by The Fratellis*

Intro: A Dbm [E6 - Eb6 - D6] E7

Well it's a [A] big big city and it's always the same
 Can [Dbm] never be pretty, tell me you your [E6] name
 [Eb6] It's [D6] out of line, I want to say "Would [E7] you be mine"?

I [A] may be a beggar, you maybe the queen
 I [Dbm] maybe on a downer but ready to [E6] dream
 [Eb6] It's [D6] 3 o'clock, the time it takes For [E7] you to talk

So if you're [A] lonely why'd you say your not [Dbm] lonely
 Oh [E6] your [Eb6] a [D6] silly girl, I know, it hurt
 It's [E7] just like you to come and go
 And [A] know me, no you don't even [Dbm] know me
 Your [E6] sweet [Eb6] to [D6] try, oh my, you caught my eye A [E7] girl like you is
 irresistible

Intro: A Dbm [E6 - Eb6 - D6] E7

It's a [A] big big city and the lights are all out
 It's [Dbm] much as I can do to figure you [E6] out
 [Eb6] I [D6] must confess, my heart is broken And my [E7] heads a mess

It's [A] 4 in the morning, I'm walking along
 The [Dbm] ghost of every drinker who's ever done [E6] wrong
 [Eb6] It's [D6] you, woo hoo
 I'm going crazy for the [E7] things you do

So if you're [A] crazy, I don't care you a [Dbm] maze me
 Oh [E6] your [Eb6] a [D6] stupid girl, oh me, oh my
 You [E7] talk, you smile, you laugh, I cry
 And [A] only, a girl like you could be [Dbm] lonely
 And [E6] it's [Eb6] a [D6] shame, that you, don't think the same A [E7] guy like me
 is irresistible
